

Supplier Issues Logging into Ariba

For vendors who already have Ariba accounts and are having issues logging into Ariba.

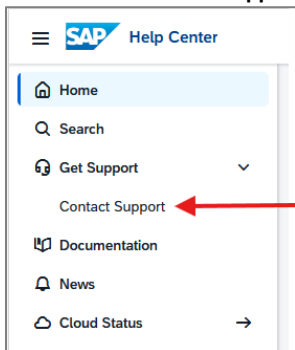

1. Click the help  icon in the upper-right corner of the application

2. Click **Support** at the top of the help menu.

3. Click the **Contact Support** tab.

4. If steps 1-3 cannot solve the issue, this step allows the vendor to provide contact information for Ariba to contact you directly.
 - a. Complete all four steps.
 - b. SAP Ariba Help Center will guide you through the process
